

ODOR CONTROL GRANULES

TECHNICAL DATA

GENERAL DESCRIPTION: ODGR is a granular product containing a specific blend of odor neutralizers, natural botanicals and emulsifying agents. ODGR is effective against waste related odors, typically derivatives of sulfur and ammonia. ODGR contains a highly effective odor neutralization system to address this class of odors and convert them into odor free, stable, non-harmful compounds. ODGR is naturally formulated, safe, effective and biodegradable.

DIRECTIONS FOR USE: ODGR is a free flowing granule that is easily applied to any surface. It is safe and convenient and requires no additional equipment to obtain odor control. Just apply liberally to the odor emitting surface. No spills to worry about.

PHYSICAL PROPERTIES:

Chemical Composition. . . . Natural botanicals,
neutralizing polymers
fragrance oils on a granular
clay base

Appearance Granular
pH of 1% solution 7.0
Effect Immediate
Stability . . . 1 Year @ Ambient Temperature
Dispersability EXCELLENT
Biodegradable Yes
Odor Fragrance, Pleasant

HANDLING PRECAUTIONS:

CAUTION:

KEEP OUT OF REACH OF CHILDREN.

Contact with skin and eyes may cause severe irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. DO NOT induce vomiting. Obtain prompt medical attention.

PACKAGING:

50 lb. plastic pail - 50 lbs net / 52lbs gross
100 lb. drum - 100lbs net / 103lbs gross

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
